Features:

- Noble form and timeless simplicity
- The mixer is equipped with a stream aerator
- The mixer body is made of the highest quality brass
- Only the best materials, the quality of which has been confirmed by laboratory tests
- Z flow class (4-9 l/min) allowing for water consumption reduction
- The mounting sleeve facilitates the installation of the mixer
- 45 cm connection hoses included
- The offer includes a cleaning agent for fixtures in all colors
- · Innovative and easy to maintain brushed steel coating
